Next review May 2012

There is a list of fire precautions and fire exits and directions for egress in every room in School – copies are in the Health & Safety booklet. In the case of fire, please ensure that all windows and doors are shut and that you and your form leave by the recognized route to assemble on the Tennis Court.

The Form Registers will be brought to the Tennis Court by Melanie Oldershaw and Jill Adcock.

The Fire Precautions and Fire Drill log book is kept in the school office – Red Folder.
